

Lesson Twenty Of

Strong form: ɒv; weak form: əv

The strong form is usually found only in final position (e.g. ‘She is the one I’m fond **of**’), though it can occur initially in some forms such as ‘**Of** the ten who set out, only three returned’.

Elsewhere the weak form / əv / is used, (e.g. ‘Most **of** all’ / 'məʊst əv 'ɔ:l /).
